## PUNISHED BY THE DOMS (PAPERBACK)

Jessa I've always been too curious, so I sneak downstairs to spy on my employers party. What's was the harm? Their children are upstairs asleep, and I just want a little peek. Except I don't expect to find my bosses watching a BDSM scene with a woman and two men. Dante and Patrick are gay, right? So why are they watching a woman dominate her lovers? And why do they think spanking me is the perfect punishment for my infraction? Most of all, if they're gay, why are they touching me so sensually? Patrick She thinks we're gay, but she couldn't be more wrong. After losing our wife two years ago, we've sworn off taking on a long-term sub, but when I find out she's a virgin everywhere, I can't hold back. Dante's my oldest friend and shares my tastes, so I know he feels the same way. We're only supposed to spank her for breaking our rules, but when I touch her, I can't stop. Dante I've tried pretending I didn't want to dominate the hot nanny, but I'm done with the pretense. She's spread out before us, and I can't help a taste. The problem is, she's addictive, and one taste makes me want another and another. She's too young and inexperienced for our games, but that doesn't matter. Nothing matters except Jessa's sweet submission. I know we said never again, but I'm having second thoughts about that.
