Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Willful Child, Steven Erikson, These are the voyages of the starship, ASF Willful Child. Its ongoing mission: to seek out strange new worlds on which to plant the Terran flag, to subjugate and if necessary obliterate new life life-forms, to boldly blow them. And so we join the not-terribly-bright but exceedingly cock-sure Captain Hadrian Sawback - think James T Kirk crossed with 'American Dad' - and his motley crew on board the Starship Willful Child for a series of devil-may-care, near - calamitous and downright chaotic adventures through 'the infinite vastness of interstellar space'. The bestselling author of the acclaimed Malazan Book of the Fallen sequence has taken a life-long passion for 'Star Trek' and transformed it into a hugely entertaining spoof on the whole mankind-exploring-space-for-the-good-of-all-species-but-trashing-stuff-with-a -lot-of-hi-tech-kit-along-the-way type over-blown science fiction adventure. The result is smart, inventive, occasionally OTT and often very funny - a novel that both deftly parodies the genre and pays fond homage to it.
