McGraw-Hill Education - Europe, United States, 2017. Loose-leaf. Condition: New. 14th ed.. Language: English . Brand New Book. Benson s Microbiological Applications has been the gold standard of microbiology laboratory manuals for over 35 years. This manual has a number of attractive features that resulted in its adoption in universities, colleges, and community colleges. These features include user-friendly diagrams that students can easily follow, clear instructions, and an excellent array of reliable exercises suitable for beginning or advanced microbiology courses. In revising the lab manual for the fourteenth edition, we have tried to maintain the proven strengths of the manual and further enhance it. We have updated the introductory material of the fungi, protozoa, and algae to reflect changes in scientific information. Finally, the names of microorganisms used by the American Type Culture Collection. This is important for those users who rely on the ATCC for a source of cultures.
