

Never Just a Game Players, Owners, and American Baseball to 1920

Filesize: 2.97 MB

Reviews

Most of these pdf is the best ebook offered. It is probably the most remarkable book i actually have study. Your life period will be transform as soon as you complete reading this pdf.

(Albertha Champlin)

NEVER JUST A GAME PLAYERS, OWNERS, AND AMERICAN BASEBALL TO 1920

The University of North Carolina Press. Paperback. Condition: New. 302 pages. Dimensions: 9.2in. x 6.1in. x 0.8in. Americas national pastime has been marked from its inception by bitter struggles between owners and players over profit, power, and prestige. In this book, the first installment of a highly readable, comprehensive labor history of baseball, Robert Burk describes the evolution of the ballplaying work force: its ethnocultural makeup, its economic position, and its battles for a place at the table in baseballs decision-making structure. In the late nineteenth and early twentieth centuries, the growing popularity of baseball as a spectator sport and the dramatic upsurge of Americas urban population created conditions that led to franchise competition, the development of rival leagues, and trade wars, in turn triggering boom-and-bust cycles, franchise bankruptcies, and league mergers. According to Burk, players repeatedly tried to use these circumstances to better their economic positions by playing one team off against another. Their successes proved short-lived, however, because their own internal divisions, exploited by management, undercut attempts to create collective-bargaining institutions. By 1920, owners still held the upper hand in the labor-management battle, but as todays sports pages show, owners did not secure a long-term solution to their labor problems. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
