Reviews

*It is fantastic and great. It generally is not going to cost an excessive amount of. You will like the way the blogger create this book.
(Gerardo Bauch PhD)*

PRISMS - THEIR USE AND EQUIVALENTS

Wilding Press. Paperback. Condition: New. 162 pages. Dimensions: 8.3in. x 5.4in. x 0.6in. This early work on Prisms - Their use and equivalent contains 118 illustrations, to make the subject-matter more entertaining, the writer has not limited himself to the consideration of prisms in ophthalmic practice alone, and by omitting mathematic formulas and inserting many illustrations the text is made easy of comprehension. Much of the information contained within is still useful and practical today. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
