The first step forward in working with today s youth is to create a dialogue, and that is exactly what this book does. It shows how to provide opportunities for young people to open up and explore their feelings through theatre, offering a safe place for them to air their views with dignity, respect, and freedom. The purpose of this manual is to provide a clear look at the process and specifics involved in Hope Is Vital interactive theatre techniques. The organization is sequential, providing a blueprint for creating a workable plan.
