Forgotten Books. Paperback. Condition: New. This item is printed on demand. 112 pages. Dimensions: 9.0in. x 6.0in. x 0.2in.Excerpt from The Epicurean or Connoisseur ManualMy apology for this addition to the list is a sincere desire to present a cook book which shall contain a moderate number of recipes, all of which are practical working receipts. In brief, the aim has been to make the book eminently practical for the average housekeeper. Some of the receipts contained herein have been gathered from practical housekeepers. Many of them are of my own origin, but have never before been in print. Having faithfully done the work, I commit the Manual to the masses of housekeepers who are engaged in the work of modern cooking.
