Austin Macauley Publishers, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. While young Wendy and her brothers were taken to Neverland by Peter Pan, Alice fell through a rabbit hole and the Pevensie siblings crossed over to Narnia, another boy was taken to another fantastic place: his own heart. Great losses crumble the worlds of even the steadiest individuals. In The Imaginarium of the Innocent, ten-year-old Tobias Young s sense of home is torn from him in one night of wartime devastation in Belgium. Instead of security, love and peace, Toby now faces deep despair and cold numbness. In the aftermath of the destruction of his soul, he is crippled and orphaned in London. Not only does Toby struggle to accept his handicap, he battles the will to be happy. With the help of a magical soaring eagle, Eoloswing, Toby enters the endangered Imaginarium as the Nightingale--a young man destined to save his newfound friends from the evil of the Hopeslayer. As Toby searches for answers and happiness--with his new roommate and his sister--in both the orphanage and the gorgeous and captivating floating island of dreams, he must learn to address his own heart and remember to retain his own Spark of Elan.
