Brand New Book ***** Print on Demand *****.Excerpt from Transactions of the Twenty-Seventh Annual Meeting of the Maine Hom opathic Medical Society: June 20, 1893 Of work carried forward from the last session the reports of the Legislative Committee was called for and that Committee made report as follows: - Dr. M. S. Briry said: - I will say that I appeared before the Committee of the Legislature when the bill to regulate the practice of medicine came up. A Registration Bill was brought forward which pretended to provide a way to improve the practice of medicine in Maine. The meeting was a large one, the discussion of the bill a very interesting one, but the Committee made no report on the bill. The bill was drawn up by a physician from Houlton. Its provisions were very indefinite. It was drawn up in a very crude manner and made no strong impression on the Committee. I believe some form of bill could be made which would work to advantage to all reputable physicians. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
