Laughing Elephant, United States, 2015. Hardback. Condition: New. George Trimmer (illustrator). Language: English . Brand New Book. George Trimmer (the creator of our Farm Babies) has here created a picture book of zoo animals, which we think perfectly suited for young children. The emphasis is on the animals in a family setting, without bars or zookeepers. Lion babies relax with their mother and father on one page, while a zebra colt frolics with a parent by moonlight on another, while a baby elephant endures a bath on still another page. The text is simple, and is accompanied by delightful smaller images. This is a book for the earliest readers and parents to share.
