Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.AMERWRECKA is written in the spirit of Thomas Paine's immortal classic The American Crisis, which officers read to their troops on Christmas Eve of 1776 before crossing the Delaware to attack the British in the Battle of Trenton. Unlike other books talking about the decline of America or America being at the crossroads, this book shows that America is on the wrong track and headed for its needless destruction unless the President is voted out of office this November. Unlike other authors bemoaning the sad state of affairs in America, Carpenter names names, calls out the bad guys, and states in no uncertain terms what must be done to save America from its imminent collapse if nothing is done to change the path we are on. In addition, Carpenter gives real world solutions to America's problems, including: How America can become energy independent in two years time and everyone enjoy fuel at 40 cents a gallon; How basic healthcare can be free for everyone at little cost to the Government; How health insurance can be made cheaper and voluntary, and there is no need for the individual mandate or the President's health insurance plan; How you can prevent the loss of your freedom to the new army of 16,000 IRS-CID Special Agents that the President wants to hire to invade your homes and businesses using sealed search warrants; Learn who the most dangerous man in America really is, because it is probably not who you think it is; Learn the policies that the new President should adopt in order to put America back on course to being the greatest nation in the World. This book...
