WARNING: Blood Of New Eden contains adult and graphic content intended for mature audiences. In the year 2414, Simon Topaz, a broken man, heavy IT user and private detective has been hired by the mysterious Rikoh to find a relic that has been stolen from a prominent art gallery. Simon is unaware, however, that the case is just the beginning. The beginning of a maddening descent into the underground culture of FleshArt and its players. It is also the beginning of Simon s destiny: a secret he does not even know he holds, a secret that may be the key to immortality, and the salvation of the human race. In Blood Of New Eden you will experience the visceral horror and beauty of the FleshArtist, set against a dystopian background of mystery and murder. You will revel in the passions of people whose only respite is the prick of the needle, or the carve of the scalpel. Welcome, friend, to New Eden.
