By Cynthia Snapp

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Journey into the discovery of Orbs, Spirit Guides and Life after Grief as a Kentucky grandmother discovers the Universe through digital photography. As she shares her experience through photography everything you thought you knew will be challenged. Who you are. Why you are here. Where will you go when you die. What is divination? What she thought was a psychic was going to interpret a dream she had before her twenty-two year old son was killed in a motorcycle accident only to learn her son is aware of everything friends and family have been doing since the day of his accident. Is there a Heaven, a Hell? Or, was the Truth hidden in an attempt to keep us powerless and enslaved in fear and manipulation? This grandmother challenges you to grab the nearest digital camera, say a prayer of protection and go find out for yourself. She promises the Universe has been waiting. This is the Age of Enlightenment - truths are being revealed to all those who earnestly seek them.
