BLACK PANDERING: WHY RACISM MAY NEVER END (PAPERBACK)**DOWNLOAD**

AUTHORHOUSE, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Dialogue on race in America does need to change, but not in the way most people have been programmed to believe. The author presents proof from various segments of society, in support of his proposition that society and the media pander to blacks to such a degree, pursuant to a politically-correct mind-set of reverse discrimination, so ingrained, that it actually poses a barrier to ending racism. Why is it always presumed that whites discriminate against blacks every time a cry of racism is heard? And why are these stories so prevalent in today s media? Why does society so excessively pander to blacks with such things as Black History Month, The Congressional Black Caucus, Historically Black Colleges and Universities, etc., yet the white equivalent of these do not exist and their very mentioning would bring cries of racism? How can there so blatantly exist a National Association for the Advancement of Colored People which garners a place at the tables of the highest politicians, yet to propose the same type of organization for whites would immediately be labeled racist. Why is it socially accepted that blacks can use the dreaded n-word at will, the word being a staple in...
