Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Discover the exciting world of Windows 10 The learning curve for each new iteration of the Windows operating system can be steep for many users. Often it can feel like a drastic change from the previous version, and confused new users may not know where to start, or even what has changed from the previous edition. I understand this, and my goal in this guide is to help you navigate the changes and pitfalls, and in the process getting you up to speed so you can continue to be just as productive as you were with your previous operating system. Learning a new version of Windows doesn t have to be hard or tedious; it can be fun, and I hope to be able to show you just how exciting Windows 10 can be. And how it can change the way you use your computer to both work and play.
