J.P.Tarcher,U.S./Perigee Bks.,U.S., United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Now in paperback, this thrilling, meticulous biography by naturalist and historian Kevin Dann fills a gap in our understanding of Henry Thoreau, one modern history's most important spiritual visionaries by capturing the full arc of his life as a mystic, spiritual seeker, and explorer in transcendental realms. This acclaimed, epic biography of Henry David Thoreau sees Thoreau's world as the mystic himself saw it: filled with wonder and mystery; Native American myths and lore; wood sylphs, nature spirits, and fairies; battles between good and evil; and heroic struggles to live as a natural being in an increasingly synthetic world. Above all, Expect Great Things critically and authoritatively captures Thoreau's simultaneously wild and intellectually keen sense of the mystical, mythical, and supernatural. Other historians have skipped past or undervalued these aspects of Thoreau's life. In this groundbreaking work, historian and naturalist Kevin Dann restores Thoreau's esoteric visions and explorations to their rightful place as keystones of the man himself.
