Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you attracted to older, taller, well-educated, wealthy alpha males? These qualities are nice in isolation, but when you put them together, you get a picture of a very familiar man-Donald Trump! He may be the pinnacle of the successful alpha male, but he is also a vain, narcissistic bully. Why would you want to date such a person? Dating guru and relationship expert Rich Gosse knows that you wouldn't, but you've been persuaded by popular culture into thinking that this is what every woman should want in life. Instead, Gosse provides a primer on how to avoid the Trump types and find a man who is right for you. He reveals how to meet good men, how to navigate bars and dating sites, how to make a killer first impression, how to get a shy man to open up, how to encourage emotional intimacy, how to recognize that you've snagged the wrong guy, how to know when to commit, and how to keep a relationship healthy. Stay away from vain and selfish men! Find a good man instead!.
