## FIRST BOOK IN ENGLISH GRAMMAR (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from First Book in English Grammar This First Book in Grammar has been prepared to meet the wants of young beginners in that branch, as well as those who need a brief summary of the subject. To awaken their interest, to teach them to think, to enable them to understand as they learn, to lead them from step to step in the most natural way, and to give a direct practical application to every abstract principle, have been the leading objects of the author. He has endeavored to condense in a small space and an attractive form all that is of prime importance; and, while it is desirable that every pupil should follow this course with a more comprehensive one, it is believed that those who master what is here presented will obtain a very fair view of the language. The teacher s convenience has been consulted throughout. The Lessons are short and easy, and illustrated with Exercises that will impress them on the mind. The system here embodied is the same (in a simplified form) as that which has been so generally commended in the author s larger Grammar. The Exercises, however, whether in etymology, parsing, analysis, or false syntax, are different; so that those who advance from this to the larger work will not be obliged to go over the same field a second time, but will find that the two books form a consistent and well graded whole. It is hoped that those who have made the author s First Lessons in Composition and Advanced Course of Composition and Rhetoric their text-books on the synthesis of our language, may find his Grammars equally...
