

Thor and Loki (Paperback)

By Carl Bowen

Stone Arch Books, United States, 2016. Paperback. Condition: New. Tod Smith, Rex Lokus (illustrator). Language: English . Brand New Book. Loki, the god of mischief, is Thor's troublesome adopted brother. Odin, their father (and ruler of the Viking gods), orders the quarrelsome siblings to tame the violent Giants once and for all--together. But what Loki and Thor find in their series of adventures puts them in conflict with each other as well as with the giants. And in the land of Utgard, a mysterious place made from magic and illusion, Thor must trust his magic-wielding and misbehaving brother in order to get out alive. Likewise, Loki must count on his brother's unmatched strength if he, too, hopes to survive their encounters with the Giants. Each book in this series features educational back matter, writing prompts, discussion questions, and a glossary. And each book in this graphic novel series is sure to engage readers with the weird and wonderful Norse Myths.

Reviews

Thorough manual! Its this kind of excellent study. It really is written in straightforward terms and never difficult to understand. I am very happy to inform you that this is basically the very best pdf we have read through during my individual existence and could be the greatest ebook for possibly.
