My Best Forex Strategy Underground Little Known Weird Secrets Raking You Millions is written by a real trader for aspiring retail trader like yourself. Forex trading is not all it is cracked up to be. The picture painted by the gurus and the brokers has only one side, a pink one, and is missing the real feeling and pain that a average retail trader goes through until a success is reached. I can feel the pain in the Forex Community and the purpose of this book is to even out the planes. Here is what you can expect to learn and master after practicing the concepts in this book. Learn to move with the winners and tailgate on their profits (this strategy alone is worth the 10 bucks) How to avoid and react to The little dirty tricks of your broker The little known strategies of the successful Forex traders What are the best times to trade The best ways to trade any strategy (this little detail can make or break your trading record) Most important and little known price levels, that...
