

The Reformation (Paperback)

By Patrick Collinson

Orion Publishing Co, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. A short but powerful study of one of the great watersheds of European history. Although for generations the Reformation was regarded as a major turning point in European history, in recent years its significance has been downgraded. But in this book Professor Collinson sets out to restore a sense of the Reformation as a momentous historical event. He brilliantly explores the complexities and corruption of the late-medieval Catholic Church - and the Europe-wide reform movement which produced Lutherans, Calvinists, Huguenots, Presbyterians and the Church of England, and which profoundly shaped the identity of the emerging nation-states of Europe.
