

The Shortest Distance Between You and Your New Product, 2nd Edition: How Innovators Use Rapid Learning Cycles to Get Their Best Ideas to Market Faster (Paperback)

By Katherine Radeka

Chesapeake Research Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do your products take too long to get to market? The Rapid Learning Cycles framework is an approach to product development that has helped hundreds of teams get their products to market faster. When you can get your product into customers hands faster, you see your vision brought to life sooner. You can beat any competition to market with your best ideas. You can shorten the time it takes before your company begins to earn money from your ideas. You can reduce development costs, making it easier for investors, executive teams and program sponsors to buy into your ideas. If your idea is meant to fail, it will fail faster, freeing you up to go on to your next idea. All along the way, you ll build knowledge that will accelerate your progress now, and speed up the teams that will develop the next product even more. The Rapid Learning Cycles framework was developed experientially, building on Katherine s work with four different companies in four different industries that all needed to get their best ideas to market faster. Then...
