Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Environmentalists will tell us the depredations visited by man on the Amazon are recent - this is erroneous. They also believe they are the first to respect and save it - this is also untrue. Killing and caressing the Amazon has been a pastime for nearly 500 years, ever since European man first set eyes on this impenetrable ocean of green. Sometimes he has laid siege to it. At other times he has tried to understand, harness and culture it. At just about all times there has been an ongoing war of attrition between the greatest eco-system and the greatest predator. Up to now, the predator has failed. Amazon Men is about these two types of men - those who have tried to conquer and exploit the Amazon and those who have tried to understand it and savour it. In both cases it is has remained beyond their grasp. It is about conquistadors and botanists, colonisers and human rights activists, slave traders and philanthropists - that is, men who have variously tried to conquer, rework, map, enslave and save the region and its river system, each according to the needs and zeitgeist of their time in history. Amazon Men is a region s history revealed through the motivations of men. Conquistadors Francisco de Orellana and Lope de Aguirre play their parts as representatives of the Age of Discovery. Charles Marie de la Condamine is a perfect foil for the Age of Enlightenment. Alexander von Humboldt appears as a scientist of the Romantic age, seeking unity in the midst of chaos. Walter Hardenburg represents the machine age, defying the industrial imperatives of his time to oppose...
