JUNEAU HEAT

Amira Press, LLC. Paperback. Condition: New. 226 pages. Dimensions: 8.0in. x 5.2in. x 0.6in. Shiya flew to Juneau, Alaska to confirm if the man shes been chatting up online is truly a shape-shifter. This was to be her first job in the field. As a tech geek, shes used to staying behind her computer and gathering all pertinent information about the existence of shifters so her family--shifter hunters for generations--can go and do the dirty work. All Shiya was supposed to do was to seduce Birk into revealing himself. What she didnt count on was how hot the man was in real life. She couldnt deny their chemistry and the reaction her body had to Birk. When Birk suggests they act on their mutual attraction, she cant say no. Then he sets the stakes even higher. He wants her to make his best friend her lover too. Kotori is the hottest Native American Shiya has ever seen, and her lust is ignited even more, especially given the danger she sees lurking deep in Kotoris eyes. Two lovers--her family doesnt have to know she took the seduction to something physical, right And when her play is over, she can go back home to San Diego with no qualms. After all, theyre just animals. Shiyas reasoning is put to the test when her heart gets involved, and her life in danger when Birk and Kotori reveal they know who she is. Shiyas family wants Birk and Kotori dead, and her lovers want to lure the famous hunter family to their deaths. Shiya is caught in the middle. All thats left is abduction and seduction until something gives. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
