Don t you know seeds when you see them? The seeds are pale green first, May, and then they turn dark brown when they are ripe. Miss Lacy ran her fingers along the brown seeds which grew on a long stem, as she spoke. Can any one tell me what the plant does? Why the plant can t do anything, Joe Bangs cried, with some contempt in his voice. They have roots which hold them in the ground, so they can t move! The plant is a living being, Joe, and everything must eat, drink, and breathe that is alive. But plants haven t mouths, so how can they eat, drink and breathe? Joe remarked with doubt in his voice. Encouraged at the interest she had awakened, Miss Lacy told them that a nose and mouth were not necessary to plants...
