Aside from the pictural value of the book as an interpretation of animal life, a word must be said in commendation of the descriptive text by R. Lydekker, for he is a recognized authority on natural history and his descriptions which accompany the illustrations add greatly to the value of the work. W. J. Watt Co., New York. (Fiction.) A Song of Sixpence. By Frederic Arnold Kummer. 111. Net, \$1.20. (Out.) A strongly written novel of a phase of modern life in which the author deals plainly with questions that are not usually discussed. It is the story of a woman--inordinately vain--who uses her beauty as capital with which to make a greater fortune. The Call of the Cumberlands. By Charles Neville Buck....
