War and Peace is a novel by the Russian author Leo Tolstoy, first published in its entirety in 1869. The work is epic in scale and is regarded as one of the most important works of world literature. It is considered Tolstoy's finest literary achievement, along with his other major prose work, Anna Karenina (1873-1877). War and Peace delineates in graphic detail events surrounding the French invasion of Russia, and the impact of the Napoleonic era on Tsarist society, as seen through the eyes of five Russian aristocratic families. Portions of an earlier version of the novel, then known as The Year 1805, were serialized in the magazine The Russian Messenger between 1865 and 1867. The novel was first published in its entirety in 1869. Tolstoy incorporated extensive historical research. He was also influenced by many other novels. A veteran of the Crimean War, Tolstoy was quite critical of standard history, especially the standards of military history, in War and Peace. Tolstoy read all the standard histories available in Russian and French about the Napoleonic Wars and combined more traditional historical writing with the novel form. He explains at the start of the novel's third volume his own views on how history ought to be written. His aim was to blur the line between fiction and history, in order to get closer to the truth, as he states in Volume II. The novel is set 60 years earlier than when Tolstoy wrote it, in the days of our grandfathers, as he puts it. He had spoken with people who had lived through war during the French invasion of Russia in 1812, so the book is also, in...
