Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.

Mira Books, Canada, 2012. Paperback. Condition: New. Large type / large print edition. Language: English . Brand New Book. It's not in bodyguard Jake Cantrell's job description to share his suspicions with his assignments. Beautiful executive Sage Dumont may be in charge, but Jake's not on her payroll. As a former special forces marine, Jake trusts his gut, and it's telling him there's something off about a shipment arriving at Marine Drilling International. His instinct is aroused in more ways than one. A savvy businesswoman, Sage knows better than to take some hired gun's hunch as gospel. And yet she is learning not to underestimate the man her grandfather hired to protect her. Determined to prove Jake wrong, Sage does some digging of her own and turns up deadly details she was never meant to see. Drawn into a terrifying web of lies and deceit and into feelings they can't afford to explore what Jake and Sage uncover may be frighteningly worse than they ever imagined.
