

Journey Untold: Twisted Love: My Mother's Struggle with Mental Illness (Paperback)

By Yassin S Hall

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My story as a child living with a mother suffering from schizophrenia. What it was like to be a soon-to-be teenager and the woman that was supposed to protect me tried to kill me. The day that changed my life and hers forever. My hope is that this book will help to remove the shame associated with this disease and that a discussion can take place in personal circles about the harm that is done when we keep silent about unpopular disorders for fear of shame, retribution, or bullying. Mental illness is real; its consequences are shattering; and the lives left to pick up the pieces can only be rebuilt with truth and acceptance. Recovery is possible I am living proof!.

This is the very best publication I have got to go through until now. I am quite late in starting to read this one, but better than never. I discovered this PDF from my dad and I encouraged this book to understand.
