Abrams, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The NERDS series combines the excitement of international espionage with the awkwardness of elementary school as it follows the adventures of a group of unpopular fifth graders who run a spy network from inside their school. With the help of cutting-edge science, they transform their nerdy qualities into incredible abilities, and the results are awesome, inspiring--and hilarious. This third installment in the series stars Matilda Wheezer Choi, the asthmatic who can fly and kick butt courtesy of her nanobyte-enhanced inhalers. Matilda loves pro wrestling and hates anything girly. Unfortunately for Wheezer, when a former-NERD-turned-villain gets extensive plastic surgery in order to become a cheerleader, Matilda must swallow her pride to successfully infiltrate the squad. The villain with pom-poms, Gerdie Baker, has created a device that opens portals to other worlds, and if Matilda doesn't find a way to destroy it, the fates of all the worlds will be at stake. Praise for NERDS: The Cheerleaders of Doom Fans of the series will gladly recognize how the mayhem of the plot is well matched by a surfeit of quips and general goofiness of the highest order -Booklist This series has gotten better with each book and I can't recommend it highly enough. -Book Dads blog.
