Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Erica Turcotte)

IT TAKES A CEO: ITS TIME TO LEAD WITH INTEGRITY

Free Press. Paperback. Condition: New. 208 pages. Dimensions: 8.8in. x 5.9in. x 0.7in. Should CEOs act as moral compasses for their companies Leo Hindery thinks they should. If every CEO did so, then Enron, WorldCom, Adelphia, and Tyco would not have become poster children for greed. They would not have become corporate embarrassments -- living illustrations of all that can go wrong in the corner office. How did these once prestigious companies fall off the ethical cliff How is it that reputations were destroyed, shareholders lost value, employees (in many cases) lost everything, and, in a few cases, entire companies disappeared Everyone is pointing fingers, and the new widespread mistrust of public companies may turn out to be more damaging to Americas economic future than the billions actually lost in the scandals. Now, one of Americas most prominent corporate leaders illuminates the need for more integrity and less greed among executives. In a scathing examination of why leaders have lost their way, Leo Hindery speaks out on the role of the CEO. Does the corporate culture have to be driven by greed Or can you do good and still make good in the big business world Leo Hindery, the former CEO and President of companies such as AT and T Broadband, TCI, and the YES Network -- and currently Managing Partner of InterMedia Partners -- forcefully advocates approaching a business career as lifes meaningful work, and not merely as a way to accumulate personal wealth. Both fiery and optimistic, Hindery calls upon his fellow executives to conduct themselves with the kind of integrity that used to be commonplace, but now seems all too rare. Holding his moral yardstick up to some of the worst transgressions in recent memory, Hindery tackles the toughest issues of the day head-on: Why should the ratio...
