Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The human mind is the most powerful thing on our planet. It must be protected, replenished, and refocused daily. Our mind dictates our future on a day-to-day basis. A negative mindset can ruin your entire day. Likewise, a positive mindset can make your day. With the right mindset we can move mountains, literally. In today s society, with everything that is going on from this economy, to our financial situations, to our employment/employer issues, to our family/relationship issues, to society issues in general. It is easy for our minds to drift away into unsafe places. Where thoughts of confusion can enter our consciousness, and transfer into physical actions that may hurt our destiny. I wrote this book to create a better world, a world where people can unlock the full potential of their mind. If someone has a dream or vision of being something better than where they are today, it can and will be achieved in the future. This is all possible with the right mindset and positive motivations from like-minded people. This book is broken into a series of daily motivations made to help condition your mind through the struggles of this world. We will embark on a 50 day spiritual journey through life; and by the end of this book you will be positioned for success. Remember, your victory is around the corner (TM), -Sylvester Veal Jr.-.
