ASEXUAL PERSPECTIVES: 47 ASEXUAL STORIES: LOVE, LIFE AND SEX, ACELEBRATION OF ASEXUAL DIVERSITY (PAPERBACK)

On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In broad terms Asexuality is the lack of sexual attraction, but what does this actually mean for those who identify with this sexual orientation? And what do asexuals really think of love, life and sex? Whilst all asexuals have one thing in common - the lack of sexual attraction towards a specific person, we are all different in our likes, needs, wants and dislikes. This can make fitting into the asexual spectrum and finding a suitable relationship difficult. Right now, there are a number of myths about asexuality and stereotypes - even within the asexual community, about what asexuals do and do not like, should and should not do, and these need to be addressed and broken through! If you identify as asexual do you - Struggle to have a voice in this sexualized world? Feel alone? Misunderstood? Misplaced? Broken? Left out? Not recognised? Have no one to relate to? Find it difficult to find others like you? Feel like everyone is speaking a foreign language where sex is concerned? Or are you unsure of your identity and sometimes get confused and you want to know what asexuals really think of Love, Life and Sex, and what experiences they have had or are having; and how they manage their relationships? If so, then look no further than this book. In this book you will discover asexuals who feel just like you. In this book I will reveal my own asexual perspective and personal story as well as perspectives from 46 asexuals around the globe; dispelling myths and breaking stereotypes; sharing their own personal journey to help you in yours and with a surprising over-riding message! In this book you will:...
