This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. If not capitalism, then what? Something s not working, but there s a dearth of material on what could be right - and more important how to change things. Laying out strategy vision for his participatory economics, Albert argues that we must change the way we view work wages and restructure our workplaces so that everyone can become involved in controlling their working lives. The third in his Forward books is written in clear language and will be of interest to those just beginning to question capitalist logic to experienced activists. Using real-world examples, Albert offers today s political discontents a valuable tool. Michael Albert is a co-founder of both South End Press and Z magazine and lives in Woods Hole.
