

Clinical Skills for Nurses (Paperback)

By Claire Boyd

John Wiley Sons Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Specifically designed for student nurses, Clinical Skills for Nurses provides a handy, portable introduction to both the knowledge and practical procedures that first year nursing students require. Giving you the knowledge behind the skill, this book will boost your confidence and competence for your clinical placements and time in the clinical skills lab. Clinical Skills for Nurses covers the skills and procedures used most frequently in clinical practice, and includes Point of Care training; blood transfusion and tracheotomy care; continence and bowel care; and early patient assessment and response. This book uniquely incorporates words of wisdom and advice from real-life student nurses; in other words: developed by students, for students! Special features: * Tips, advice and words of wisdom from real-life students included throughout * Pocket sized for portability on your clinical placement * Clear, straightforward, and jargon-free * Ties in with the NMC standards for pre-registration education and the Essential Skills Clusters * Examples and questions based on real life nursing healthcare examples.

Reviews

This composed publication is fantastic. This is certainly for all those who state that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).

-- Prof. Mark Ratke Jr.

This pdf is wonderful. We have go through and so i am certain that i am going to going to study yet again once more in the future. Its been developed in an exceedingly straightforward way which is merely after i finished reading through this pdf where really transformed me, modify the way i think.
