

Amazing Rainforest of Borneo

By Huang Yi-Feng

Natural History Publications (Borneo), 2017. Hardcover. Condition: New. Dust Jacket Condition: New. 247 p. Includes: illustrations, index, bibliography. In January 2000 I left cold and wet Taipei and headed south to begin my journey to the Borneo rainforest. The internet was not well-developed at that time; the notes I left for my family read: I have gone to Borneo rainforest for nature documentaries. It is a big island located in the South China Sea. The destination for this journey is in the country of Malaysia; I do not have much information or details of that place, all I have is the contact number of the tour guide. It was my first time leaving my country and I was totally clueless. I had little information on Borneo; all I had was Borneo Island published by Time Life. It was the year I graduated from the Taiwan National University of Science and Technology and my second year as a volunteer for the Society of Wilderness (S.O.W.). The protection of biological diversity was a hot topic at that time and the founding director of the S.O.W., the honourable Mr Jen-hsiu Hsu, gathered a group of people to explore the Borneo rainforest which was...

Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Morris Cruickshank**

This is the very best publication i have got go through until now. I am quite late in start reading this one, but better then never. I discovered this pdf from my dad and i encouraged this book to understand.
