The Practical Handbook of Veterinary Homeopathy: Healing Our Companion Animals from the Inside Out opens your eyes to the enormous potential of homeopathy. Our beloved companion animals often suffer from chronic diseases or repeating complaints that respond only temporarily to traditional treatments, requiring frequent or even lifelong dosing. As the staunchest advocate for your own cats and dogs, you can greatly increase their health by learning to recognize chronic disease and partnering with a homeopathic veterinarian. Together, you can avoid, reduce, or eliminate your animal's dependence on medications. Homeopathic veterinarians rely on your observations to evaluate treatment, and this book, full of success stories, will teach you exactly what information is needed in order to help your animals not only heal, but regain their former vitality, energy, and zest for life.
