

Crossing the Threshold: Advancing Into Space to Benefit the Earth

By Paul O. Wieland Pe

Threshold 2020 Press, 2020. Paperback. Book Condition: New. Paperback. 274 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. Space for a World of Abundance Space has been called the final frontier, the great beyond, and the endless void, but it may also be the key to a sustainable world of abundance. In *Crossing the Threshold: Advancing into Space to Benefit the Earth*, Paul Wieland presents a vision of a secure, sustainable future--with abundant energy, resources, and opportunities while ensuring a healthy environment and a high standard of living--and shows how advancing our efforts in space can help us achieve it. Written for a general audience and including personal anecdotes from the author, *Crossing the Threshold* considers the major challenges we are facing in the 21st century and poses the questions: For these challenges, what are the opportunities and benefits that space activities could provide How could our activities in space enhance other solutions What specific actions might be included in a space program designed to address the major challenges There is a physical threshold, crossed as a spacecraft leaves the atmosphere for the vacuum of space, but there is also a threshold of awareness which is crossed when the entire Earth is seen against...
