Reviews

The book is fantastic and great. it was writtern really perfectly and useful. I discovered this pdf from my i and dad suggested this book to learn.

(Dr. Cordie Upton III)

FEDEGRAPHICA: A GRAPHIC BIOGRAPHY OF THE GENIUS OF ROGER FEDERER (HARDBACK)

AURUM PRESS, United Kingdom, 2016. Hardback. Condition: New. 3. Aufl.. Language: English . Brand New Book. Universally recognised as the greatest tennis player of all time, and maybe even the greatest athlete, Roger Federer is one of sport s most iconic and popular figures and is adored by millions around the world. In this graphic biography like no other, his genius and astonishing records - no man has won more majors, or spent more weeks as the world number one - are explored and celebrated with beautiful infographics analysing his serving patterns, the speed of his shots, the spin he generates, his movement, as well as his performance in high-pressure situations such as tiebreaks and Grand Slam finals. Drawing on interviews with Federer and those close to him, this is the story of how a young hothead from Basel transformed himself into a calm and poised athlete who came to dominate tennis. And who, while deep in his thirties, has continued to seek improvements, to challenge men many years younger than him and to contend for the sport s biggest prizes. The sheer brilliance of Roger Federer is revealed through illuminating infographics of his game alongside stunning photography, stories and analysis from those who have played, watched and admired him that will give you a new appreciation of his greatness and how his tennis has moved so many people.
