Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The following sketch was written to supply what its author felt persuaded could not fail to interest his fellow Catholics in England; namely, some account of the only English Pope who ever reigned. In it he does not pretend to any novelty of research; but simply to present a connected narrative of such events in the history of Pope Adrian IV. as have hitherto lain broken and concealed in old chronicles, or been slightly touched for the most part in an incidental way by modern writers. In the course of his sketch, the author has ventured to take part with Pope Adrian in some acts of his, which it is commonly the mode to condemn. Should his opinions in so doing not be deemed sound, he yet hopes that at least the spirit which inspired them-in other words, the spirit to promote the cause of practical rather than theoretical policy, as also of public order and legitimate authority, will deserve commendation. For the rest, the striking similarity between the difficulties which Pius IX. in our day has to contend with, and those which Pope Adrian had to encounter in the twelfth century, should only lend the more interest to his story.
