The Milroy Lectures: On Epidemic Influences, on the Epidemiological Aspects of Yellow Fever, on the Epidemiological Aspects of Cholera (Classic Reprint)

By Professor of Psychology Robert Lawson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Milroy Lectures: On Epidemic Influences, on the Epidemiological Aspects of Yellow Fever, on the Epidemiological Aspects of Cholera The late Dr. Gavin Milroy had for many years taken a deep interest in Epidemiological questions, and his visits to the Colonies, in early life in the Packet Service, and subsequently as Medical Inspector under the Board of Health, had afforded him opportunities of acquiring much information as to the diseases which were met with in these countries, and the measures different communities adopted with the hope of excluding them altogether, or for limiting their diffusion if introduced, or already existing amongst them. The great divergence of arrangements put in practice to meet these requirements in different colonies, even of the same nationality, showed a very imperfect acquaintance with the causes of the diseases for which they were adopted, and he saw clearly that the only way to get rid of this anomaly was to acquire sound information on the natural history of these diseases, from a close observation and minute analysis of the facts connected...
