By Michael Braswell

Resource Publications (CA), 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.God s Scoundrels and Misfits examines the relationships of biblical characters with God and with each other. Some took advantage of the second chances God offered them while others missed the opportunities to change the direction of their lives. Lessons learned from the choices they made and the outcomes they experienced are explored in the context of modern families and individuals. Sibling rivalry, unbridled ambition, women s issues, suffering, and forgiveness are some of the issues that are brought forward into contemporary living. The times may have changed, but the challenges remain the same. Braswell and Bartollas share the ancient stories of men and women in the Bible in contemporary prose and with discerning insights into strengths and weaknesses common to all of us. They help us grasp the lessons that can be learned from missed opportunities, make the best of second chances, and put someone else s needs before our own. This book will enrich your faith and challenge you to live closer to God. --Alex B. Aronis, Author of Developing Intimacy With God: An Eight-Week Prayer Guide. In God s Scoundrels...
