Reviews

Absolutely essential go through ebook. It typically does not cost a lot of. I realized this publication from my i and dad encouraged this publication to discover.

(Mallie Ondricka)

TRUMP PUZZLE SERIES (VOLUME 1)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 98 pages. Dimensions: 10.0in. x 8.0in. x 0.2in. Trump, Love Him or Hate Him, You Still Have To Laugh At His Gaffes. Im often amazed at the inane and inconsiderate garbage spewed from his mouth or Twitter account. I had hoped and prayed that was just nonsensical political campaign propaganda. Maybe, I thought, once in office he would settle down a bit and get to the business of improving this great country. I havent seen it yet, and rumors claim hes getting worse. Maybe he is metamorphizing from his campaign fifth grader level down to pre-school level. Im not sure how much longer the people and other politicians are going to tolerate this grammar school yard bully destroying our country to enrich himself, his cronies, his family and apparently even the Russians In recalcitrance, due to his juvenile behavior and total lack of integrity, this series of puzzles was created. In times past I used humor to get past grisly and extremely unpleasant incidents. So apparently my personal disgust with his behavior has caused me to also evolve back to my past. Be forewarned, this series of puzzles is definitely not appropriate for kids, juveniles, many Republicans or any Trump supporters. The topic was chosen because it is the most popular currently trending news across the globe. The Trump Puzzle Series is meant to kick off a new web site, [http: puzzletrends. com](http://puzzletrends.com). The site designed to host puzzle contests online with paid prizes for winners. The puzzle types being considered are: Labyrinths (the major portion of this book) Anagrams Rebuses Crosswords Word Cross, also known as word search Possibly more, depending on interest and input The labyrinths or mazes have letters placed along the pathways. Those letters...
