## WOLVES AND WILDFLOWERS (HARDBACK)

Page Publishing, Inc., 2015. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Wolves and wildflowers is an ignition switch to a new renaissance or movement as we see happening in America now . A prayer to America and the wild west. Dante, Whitman, we see further than you but only because we stand upon your shoulders. I don t feel as if I wrote this book. I channeled it, divined it. . It is beyond intellectualism, beyond me. The I in the piece titled Beyond is the narrator of the book. Beyond the intellect, that is, the anti-intellectualism of Ayn Rand, for example. This book is not a book, it is a prayer you must let into your bloodstream like The Golden Bough to fully understand or benefit from. I want these poems to rush into your bloodstream like a drug. Allow yourself to transend to another place or realm. This is a non-fiction poetry. Volumes of studies about wolves, plant life, congregational biblical studies, classic literature, such as Blake, Whitman, Elliot, Dante, Kerouac, the volumes of Cambells mythology series, along with studies rehabilitation, spiritual rejuvenation, were all braided together for this project. It is a delightful romp, like a moving selection of theatre pieces through the wild west. This book is primal, yet sophisticated. The roses not the war. A step forward. Kerouac ( who described himself as a poet not a novelist ) but NOW. A background in fact . After reading all 6 prominent known studies of wolves; in the wild, never cry wolf, the company of wolves captive wild , urban wild , etc., I was amazed by the reasearchers findings that jealousy, incest, sexual deviation, murder, do not occur in the wild. Only in captivity and encroachment do these...
