Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mind Control in the United States? Hard to believe? The series Conspiracy Fact Declassified is back again to prove it happened. Through declassified documents and various other sources, we further explore human experimentation. This time we zoom in specifically on mind control and the Top Secret government projects that examined this realm. We name the names. This compelling book is sourced throughout. You ll find out about how the U.S. ferried Nazi scientists into the country after World War II, and how that single operation became the catalyst for the creation of MULTIPLE experimental projects. You ll find out how those projects sourced more than 88 institutions nationwide to perform mind control experiments on unwitting citizens. You will hear from survivors. As usual with Kate Marcello, you ll get that resource-packed Addendum at the end of the book with more information to explore. This time, we couldn t fit everything in this section of the book so you will also get access to a massive supplement file containing ALL of the declassified documents pertaining to MKULTRA. In addition, it s also packed with other documents and photos pertaining to the author s research on MKULTRA. Free to download, it is well over a GB of information.
