Pan MacMillan, United Kingdom, 2009. Paperback. Condition: New. New. Language: English . Brand New Book. These stories are a wonderful introduction to his quirky fictional world -- gutsy, funny, lyrical but unpretentious Independent Tim Winton s second short-story collection explores the complexity of human relationships through the themes of futility and hope, revenge and redemption, birth and death that twist through each tale in turn, emerging, re-emerging, competing, conflicting. As characters, too, surface and reappear, their lives are slowly, painstakingly revealed. Through frozen moments and stolen glances, their stories -- and histories -- are told, their emotions exposed, their souls stripped bare. Threaded together by Tim Winton s haunting prose, the tales in Minimum of Two ultimately offer an optimistic view of the world in which we live. Winton .writes with a muscular looseness which is suited perfectly to the people and places he is describing The Times Tim Winton has cracked something essential about modern Australia: how to find meaning in the intimate and terrible parts of contemporary family life, set against a landscape which is inhumanly vast Evening Standard The vividness and clarity that Mr Winton responds to in nature are also beautifully embodied in his own writing The Economist.
