Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. annotated edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The College of William and Mary Department of Religion released this Hebrew-English annotated translation of Moses Maimonides treatise on philanthropy, Gifts for the Poor by Rabbi Joseph Meszler. This part of Maimonides law code, the Mishneh Torah, describes the philosophy and history of Jewish giving. Beginning with legislation found in the Torah, Maimonides traces the origins of Jewish philanthropy from the individual Israelite farmer in biblical times to Maimonides contemporary scene where charity had become a communal obligation. Rabbi Meszler s introduction to the treatise explains Maimonides understanding of the reason for giving. Rather than see tzedakah (philanthropy) as a commandment to be fulfilled for a divine reward, Maimonides views giving tzedakah as a way of ennobling the giver on a path of virtue.
