

## ShipCraft 1: German Pocket Battleships (Paperback)

By Roger Chesneau

Pen Sword Books Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Everything the ship modeller needs to know about building a famous warship Numerous detailed plans and colour illustrations Focuses on very popular modelling subjects which are represented by a wide selection of kits The ShipCraft series provides in-depth information about building and modifying model kits of famous warship types. Lavishly illustrated, each book takes the modeller through a brief history of the subject class, using scale plans to highlight differences between sisterships and changes in their appearance over their careers, then moves to an extensive photographic survey of either a high-quality model or a surviving example of the ship. Hints on building the model, and on modifying and improving the basic kit, are followed by a section on paint schemes and camouflage, featuring numerous colour profiles and highly-detailed line drawings. The strengths and weaknesses of available kits of the ships are reviewed, and the book concludes with a section on research references - books, monographs, large-scale plans and relevant websites. For the first volume in this series, the author has chosen the German pocket battleships of WW2, the best-known of which was the Graf...
