

Cambridge (Hardback)

By Anthony Mitchell Sammarco

Arcadia Publishing Library Editions, 1999. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Settled as New Towne in 1631, Cambridge was referred to by Wood, a seventeenth-century chronicler, as one of the neatest and best compacted towns in New England. The founding of Harvard College in 1636 was to ensure the town s notoriety, as it was the first college in the New World. Harvard gave Cambridge a cosmopolitan flavor, but the town retained its open farmland and its well-known fisheries along the Charles and Alewife Rivers for nearly two centuries. By the early nineteenth century Cambridge saw tremendous development, with industrial concerns in Cambridgeport. New residents swelled Cambridge s population so much that it became a city in 1846. These changes, which included horse-drawn streetcars and, later, the Elevated Railway that is today known as the Red Line, made Cambridge a place of convenient residence. With the large-scale development in the late nineteenth century, Cambridge became a thriving nexus of cultural diversity.

Reviews

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book i actually have go through within my own existence and could be he greatest ebook for at any time.

-- **Elva Kemmer**

The very best pdf i possibly study. It generally will not expense excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
