ELEANOR AND HICK: THE LOVE AFFAIR THAT SHAPED A FIRST LADY (PAPERBACK)

Penguin Putnam Inc, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A warm, intimate account of the love between Eleanor Roosevelt and reporter Lorena Hickok—a relationship that, over more than three decades, transformed both women's lives and empowered them to play significant roles in one of the most tumultuous periods in American history. In 1932, as her husband assumed the presidency, Eleanor Roosevelt entered the claustrophobic, duty-bound existence of the First Lady with dread. By that time, she had put her deep disappointment in her marriage behind her and developed an independent life—now threatened by the public role she would be forced to play. A lifeline came to her in the form of a feisty campaign reporter for the Associated Press: Lorena Hickok. Over the next thirty years, until Eleanor's death, the two women carried on an extraordinary relationship: They were, at different points, lovers, confidantes, professional advisors, and caring friends. They couldn't have been more different. Eleanor had been raised in one of the nation's most powerful political families and was introduced to society as a debutante before marrying her distant cousin, Franklin. Hick, as she was known, had grown up poor in rural South Dakota and worked as a servant girl after she escaped an abusive home, eventually becoming one of the most respected reporters at the AP. Her admiration drew the buttoned-up Eleanor out of her shell, and the two quickly fell in love. For the next thirteen years, Hick had her own room at the White House, next door to the First Lady. These fiercely compassionate women inspired each other to right the wrongs of the turbulent era in which they lived. During the Depression, Hick reported from the nation's poorest areas for the WPA, and...
